

USA 2024-SB

Uniform Semi-Automatic Case Sealer

USA Series

Interpack's USA Series Case Sealers are adjustable, operator fed machines that process same sized RSC style cases. These machines are engineered to provide:

- Industry-leading features
- Heavy-duty construction for 24/7 operation
- Ergonomic, user friendly operation and case size set up

Every Interpack Case Sealer comes with an HSD 2000-ET II tape head with adaptive technology to provide optimal tape application and wipe down to each of the 3 taped panels of the case.

When you compare features, benefits and value, Interpack Case Sealers are the right choice for operators, plant engineers, maintenance and purchasing.

USA 2024-SB Features

- Side Belt Drive processes a wider range of cases
- Side belts capture the case between 2 moving belts reducing the force on the case
- 1/3 HP motors for 24/7 operation
- Dual column for maximum processing stability
- Slide & lock upper head simplifies case size set up
- Selectable floating upper head processes mild overfills
- Offset tapes heads process cases as low as 2" tall
- Reversible controls for left or right handed operation

Standard Options

3 Flap Folder

Box Hold Down Device

3" Tape Heads

Spare Parts Kits
