

USC 2020-TB *Uniform Semi-Automatic Case Sealer*

USA SERIES

Interpack's USC grade of case sealers are part of the USA SERIES Uniform Semi-Automatic Uniform family. The USC 2020-TB is a Top & Bottom Belt Drive case sealer designed and constructed for low to medium volume applications. They are adjustable, operator fed machines that process same sized RSC style cases. These machines are engineered to provide:

- Economical cost
- Compact footprint to conserve valuable floor space
- Ergonomic, user friendly operation and case size set up

Every Interpack Case Sealer comes with an HSD 2000-ET II tape head with adaptive technology to provide optimal tape application and wipe down to each of the 3 taped panels of the case.

When you compare features, benefits and value, Interpack Case Sealers are the right choice for operators, plant engineers, maintenance and purchasing.

Shown with optional casters

USC 2020-TB FEATURES

- Compact design conserves valuable floor space
